

# BIGFORK MONDAY MARKET

## 2024 Kids Booth Application

This season we will be featuring 1-2 local kiddos at our market! This includes children who make, grow or create a product that can be sold. Items must be handmade/created or produced by the child. This would include for example - art, jewelry, baked goods, grown veggies/starts or home goods.

**Please have the child fill out this application and email it by April 15th to - [bigforkmarket@gmail.com](mailto:bigforkmarket@gmail.com)**

### ATTENDANCE

The market will be featuring 1-2 vendors at our Kids Booth each week. We hope to allow as many kids to sell at our market as we can but cannot guarantee dates. If accepted, we will notify the applicant by May 1st with dates we hope they can attend. If the product is seasonal, please note it in the application. A parent or guardian will be required to attend with the child and be responsible for them while on site.

### PRODUCT TYPES ALLOWED

Products must be made, grown or created by the child. No mass produced or resale of items. Any food item made by the child must be made in accordance with local and state health department laws. A license may be required (cottage license, etc.).

### FEES and BOOTH SETUP

If selected, there will be no fee to attend our market. We hope to encourage young local entrepreneurs with this opportunity! The BMM will supply the Kid's Booth tent. The vendor will be in charge of their own table and set-up. We ask that you limit set-up to one table, as you may share a 10x10 booth with another vendor.

Please direct any additional questions to the Bigfork Monday Market Team!
